About MMJ News Network

MMJ News Network is a digital-first media platform delivering credible, unbiased coverage of the most disruptive forces shaping our future: Web3, artificial intelligence, cryptocurrency, psychedelics, cannabis, and counterculture movements. We provide clear, timely, and thoughtful journalism through a lens that values integrity, accessibility, and community empowerment.

About JM Balbuena

JM Balbuena is a decorated U.S. Navy veteran, award-winning filmmaker, published author, and digital media journalist. As the founder and editorial director of MMJ News Network, JM combines investigative journalism with cultural storytelling to report from the frontlines of emerging tech and innovation. Her journalism is shaped by years of experience in advocacy, entrepreneurship, and multimedia production. Her reporting has explored topics such as blockchain adoption, the ethical use of AI in journalism, and the financialization of culture through tokenized experiences.
